Ahilaya: The lucknowi chikan work kurtas, kaftans and dresses are elegant enough to wear to a dressy day time affair or evening out. The soft pastel and classic white ensembles will be a great addition to your summer wardrobe. *Off Colaba Causeway, next to Cotton World, call 22023788.*

Cambay Agates: Add some colour and style to your summer basics with jewellery from this treasure find. Here you can score readymade pieces or ensemble your own design. *2nd floor 29 Harbour View Colaba Causeway, Opposite Bank of Baroda, call 22850141.*

Serena's Beauty Salon: Summer sandals should be flaunted with nicely pedicured feet. Pick up the fabulous range of nail polish from American brand Essie at Serena's. Colours like Paprika Pink and California Coral are totally beach worthy! *Turner Road, next to Crosswords, Bandra (W), call 26424210022/26424210.*

Forever New: Florals will be big this season. Whether it is small paisleys, pretty pastels or larger prints, this Australian brand does it all in their new range of playsuits, shorts, twirly skirts, dresses or maxis. *Oberoi Mall, Goregaon or Phoenix Mills, Lower Parel, call 40046671/ 40040289.*
